

# Getting behind the headlines - murals

'superficial images' or 'a significant part of the political process'?

## Northern Ireland - conflict through wall paintings (murals)

Examine the murals on the cards and then (i) arrange them into two groups (loyalist and republican) and (ii) complete the following table of the main features of the murals.

	Use of				
	Colour	Images/symbols	Historical references	Personalities	Language
Loyalist murals					
Republican murals
